THE DAILY JOURNAL

Is the best daily paper published on the line of the Central Pacific Railroad, east of Sacramento, and having a general circulation throughout the State it is especially valuable as an advertising medium.

THE DAILY AND WEEKLY JOURNAL have a combined circulation larger than that of any interior journal of Nevada, excepting those on the Comstock.

MONEY NO OBJECT.—Before calling on those one horse shops come and see me in regard to prices. If you want a few hundred feet of water pipe laid in the ground I don't charge anything for it, or if you want five or six joints of 6, 8, or 10 inch pipe it costs nothing. All my men are men in good easy circumstances, therefore charge me nothing for labor, and, in a word, I work for nothing, find material and board myself. Money is nothing, custom is what I want.

Beg to inform the Smoking Public that they are the only manufacturers of Cigars who use at present only 1875 Havana Fillers, and 1876 Pennsylvania Wrappers, the latter is grown from Havana seed. Both of above mentioned crops are much superior to anything grown since them and Messrs. L. B & Co. had the forethought and capital to lay in a sufficient supply to last them until the '77 crops will be sufficiently cured to be worked to advantage, as the latter crop is now it is entirely unfit to be worked for at least 8 months to come, as it tastes bitter, coals some what and has a copper color. LOSS PAID

ON A POLICY THAT THE PREMIUM WAS NEARLY FIVE YEARS OVER-DUE.

To the General Agent of the New England Mutual Life Insurance Company, of Boston—DEAR SIR—The undersigned, friends of the late PELEG BROWN, take pleasure in subscribing our names to the following facts, believing it just that the public should know the equity and beneficence of the Policies issued by your Company. Mr. Brown held Policy in your Company No. 29,585 for $10,000, bearing date Nov. 14, 1867, upon which he had paid seven premiums, the last premium having been paid in 1873, and at the time of his death, which occurred Sept. 9, 1878, there remained due and unpaid the premiums for 1874, 5, 6 and 7. Your Company working under the Equitable Massachusetts Lapse Laws, pays Mrs. Brown the widow, this day through Wm. Hickok, agent at Virginia City, the whole policy, less the unpaid premiums due, to wit: **$8,132.43.** In doing this you have exemplified the beneficence of the Massachusetts Lapse Laws, and as the New England Mutual is the only Massachusetts Company doing business on this Coast, we therefore commend it to all who would provide against possible misfortunes as the only Company wherein the law of the State guarantees there shall be **No Forfeiture.**

A Book by Mighels.

Henry R. Mighels, the talented editor of the Carson *Appeal*, is at work upon a book. It will consist mainly of "Odds and Ends," "Notes and Queries." and articles of that style. for which the editor is so noted. The compilation will be made with care, and we are satisfied the book will have a large sale not only in this State, but elsewhere.

P. O's for Roop.

Roop county is coming to the front. Postoffices have been established at Sheep Head and Buffalo Meadows. Mrs Martha Bonham is Postmistress of the former, and E. H Hamlin, Postmaster at the latter. When they get one at Duck Flat everything will be serene.

THE regular monthly meeting of the Board of Trustees of the Reno Fire Department will be held at the office of Chas. Knust on Tuesday, April 8th 1879, at 8:30 o'clock P. M By order of the President.

J. M. FLANAGAN, Secretary.

FRANK CLUGAGE is now running a weekly stage from Wadsworth to Grantsville, and it is probable that the Department will soon increase this service to twice a week.

YESTERDAY was All Fool's Day. Did you find it out?

Washoe vs. Humboldt.

The Winnemucca *Silver State* says that notwithstanding Humboldt is out and injured several hundred dollars in its suit with Washoe, the points decided in that case by the Supreme Court is of interest to county officers as a guide for the future. The Court decides, among other things,

1st. That an attorney appointed by the Court to defend an alleged criminal cannot be allowed a fee to exceed $50. If he follows the case to another county or to the Supreme Court, or both, he may be allowed $50 in the Court below and $50 in the Supreme Court.

2d. The Sheriff can charge for taking a prisoner before the Court only in a case of *habeas corpus*. He can charge $5 per day for attendance on Court. This he is entitled to if he is detained in Court only a minute, and can charge no more if he is required to be present for twenty-four hours. He is not entitled to fees for serving subpœnas out of his county or Judicial District, and he need not serve them, even if ordered to do so by the Court.

3d The Clerk cannot charge for issuing "time checks" to each juror; he is entitled to one dollar for his certificate as to time of all jurors If any juror wants a certificate the Clerk can charge him $1—not the county. The county is chargeable with the general certificate, including time on all the jurors. He is entitled to fifty cents for entering every motion, exception, rule or order in the minutes of the Court; if he does not enter them in the minutes, he is entitled to nothing.

4th. Reporters may be allowed such compensation as is reasonable.

5th. Surveyors may be allowed reasonable compensation for making surveys in criminal cases.

Local Brevities.

How the grass will grow now!

No more complaints of dry Spring.

E. Meyer, the cigar man, is nearly ready for business.

The ladies are anxious for the dry goods stores to resume.

Our Washington letters read well. Our correspondent favors us this morning.

Building operations are retarded, but the rest of the country is greatly benefitted by the storm.

Our travelers are getting back. John Cahlan and Fred Wetherell returned yesterday morning.

Mrs S. F. Hoole has gone to Bodie to join her husband. We regret to loose the family from Reno society.

The Remitted Bullion Tax.

In the Supreme Court Monday the test case to decide the constitutionality of remitting the back taxes on bullion by the Legislature came up, the Yellow Jacket being the mine chosen. The case was thrown out because the question was not brought before the court in proper shape to test its constitutionality. In the Story District Court a motion has been made in the cases of the State vs. The California and Consolidated Virginia mines, that the judgment in the bullion tax suit be satisfied of record on payment of the taxes and costs exclusive of the penalties, and proceedings have been stayed till the 12th of April, when the motion is to be heard.

Not Dead.

Mr. Dormer, editor of the Esmeralda *Herald* (owned by Frank Kenyon), in referring to the statement made by the San Francisco *Call* that Mr Kenyon had died on the 24th when within one day's sail of Gautemala, says: "Mr. Kenyon wrote us on that date and said 'the monotomy of the sea voyage was varied by the death and burial of a passenger suffering with consumption and recently from Los Angeles.' Mr. Kenyon further wrote that his health was slightly improved by the voyage. The *Call's* item, therefore, must have confounded the death of the other passenger and the paragraph in Mr. Kenyon's letter."

Meat Shipping Meeting.

The annual meeting of the stockholders of the Cal. Fruit and Meat Shipping Company, will be held in San Francisco this afternoon, for the election of Directors for the ensuing year, and such other business as may be presented.

Truckee Scenes.

Mr. Hill, the artist, who is at the Lake House, yesterday sketched a scene of the Truckee looking west, and also one of the Meadows. During his stay here he will make half a dozen sketches of our best scenery.

THE buildings of Marshall and Lachman were damaged by the storm.

Old Time Rox.

Burglars are around, Night before last an attempt was made to enter the White House clothing store. It did not succeed, luckily for the would-be burglars, as two men were wide awake on the inside at the time, and would have poured some buckshot into them, thereby preventing them from burglarizing anybody else for some time.

New Proprietor.

J. K. Everett has purchased the entire business of the late John Larcombe, and this morning comes out in a nice ad. asking for the public patronage. Everybody knows Jack and they also know that he always does what he says he will. Good goods, fair prices and prompt attention may be relied upon in every case.

Delightful Rain.

The first good rain of the season set in night before last, and for several hours it poured down steadily, thoroughly wetting everything, including the half finished houses around town. While it may have retarded building some it will prove of incalculable benefit to the farmers. From present indications it will continue.

Arrested on Suspicion.

Sheriff Walker took Tong Sing from the west bound overland train last night, in obedience to a telegram from Sheriff Harper of Lander county. Tong Sing is believed to have assisted in the murder of a countryman at Austin.

Good Drinks.

Illidge & White, of the Ætna saloon Virginia St., are in constant receipt of the best of wines, liquors and cigars, which they delight to deal out to their customers. They are accommodating and keep good articles.

Nevada Market.

Schultz & Haller fling their flag to the breeze and announce that they have the very best quality of beef, mutton, pork, etc., to be found in the State always on hand. Read their ad. and then you will know what they keep.

Runaway.

A team belonging to J. C. Haynes took fright yesterday about noon. Usual result—wagon smashed, horses badly hurt.

Not Anxious.

The insurance companies are shy of writing risks on Reno property. Several applications have been refused within the past few days.

JUST RECEIVED and in stock at Ross & Bauers' furniture warerooms East side Virginia street, a large assortment of wall paper, house lining, bedroom sets, top mattresses, chairs, tables and window curtains, etc. All kinds of upholstering and cabinet work made and repaired.

IN all previous account of losses by the fire no mention has been made of the Catholic Church and the pastor's residence, a loss of at least $1200.

OFFICIAL notice is given of a teachers' examination to be held in the school house on Friday and Saturday. April 19th and 19th.

THE lovers of fifteen ball poll can now resume. Bill Stopher, at the Ocean Spray, is the public benefactor.

MR. SOPHUS PETERSON returned to Reno on Monday. Mr. Peterson is the gentleman reported drowned some time ago.

BARNETT BROS. offer their brick stores for rent. The location is the best in Reno.

CLIMATIC VARIATIONS.

Probably there is no place in the world where a greater variety of climate can be crowded into a limited period of time, than in Tuscarora Last week the four seasons were climatically represented within a space of less than twenty-four hours. Wednesday morning was as warm and balmy as the month of June. About noon the still atmosphere had cooled to the average Autumnal temperature. Towards evening there was a raw, gusty wind, suitable to March, and before the next morning we were in the midst of a snow storm, which, while it lasted, was the severest and most disagreeable of any that has been experienced here since the commencement of last Winter.—*Times Review.*

THE Atlantic ocean, if it were to be drained, would be a vast plain with a mountain ridge in the middle running parallel with our coast. Another range crosses from Newfoundland to Ireland, on the top of which lies the telegraphic cable.

COMMANDER OF BRITISH FORCES IN AFRICA.—Lord Chemsford, Commander-in-Chief of the British forces at the Cape, is the eldest son of the late nobleman of that name, who was so well known as an ex-Lord Chancellor, and who died only last year. The present holder of the title, who was previously known as the Hon. Frderick Augustus Thesiger, was born in 1827, so that he is now in the 52d year of his age. He was educated at Eton, and, adopting a military profession, he entered the Rifle Brgade in 1844. He became Ensign and Lieutenant, Grenadier Guards, 1845; Lieutenant Colonel, Ninty-fifth Foot, 1858; Colonel, 1763, and Major-General, 1877. He served with the Grenadier Guards in the Crimea from the 31st of May, 1855, including the seige and fall of Sebastopol. He has the Crimean medal and clasp, the Sardinian and Turkish war medals, and the Order of the Medjidie. He served in the Indian mutiny with the Ninty-fifth Foot, for which he also possesses the Indian medal. He was acting Deputy Adjutant General of the Bengal army, 1868-70, and in that capacity was present at the capture of Magdala, having been mentioned in official dispatches for great ability and untiring energy."

THE BLACK HILLS.—They are called black because covered with pine trees in contrast to the bare plains around them, and cover an area about equal to the State of Massachusetts at an elevation of from three thousand to seven thousand feet.

Hawkeye. A company is being organized in Holland for the importation of American live meat. That is all right. You just want to remember there is an immense difference between live meat and live cheese.

SUTRO is now talking of putting 2,000 men to work in his tunnel at cutting the sub drain and running the North and South lateral drifts.

FACTS FOR THE PEOPLE.—The following facts are of great importance to the community, and they should be carefully read and acted upon by everybody in the county:

Fact 1. That L. Abrams, to accommodate the public, has "resumed" in the building opposite the Granger store.

Fact 2. That he sells better clothing for less money than anybody.

Fact 3. That he gives satisfaction in quality and fit.

For confirmation of the above facts ask any well-dressed man in Reno.*

YANKEE DODGE'S notion store Virginia street, next door to Cunningham & Gibson, where can be found all those little articles so indispensible to every well regulated household. It would be useless to try to enumerate for there is no limit to the assortment. We intend to keep everything that there is a demand for. Trusting our old customers will call again, bring their friends, and for our part we promise to supply their wants at the lowest possible rates. YANKEE DODGE & Co. *

HORSES FOR SALE CHEAP FOR CASH.—I have sixteen head of good horses comprising draft horses, buggy horses, and saddle horses; also two fine Norman colts, sired by my Norman horse Barnum; would make good stallions; they are from good blooded mares and are both dark grays. For particulars apply to the undersigned at his farm, or by letter, Reno, Nevada. A. A. LONGLEY.*

FOR THE SUFFERERS—S. Jacob has a large and varied assortment of piece goods and tailors' trimmings, which he will make up at his usual low rates. Now is the chance for the sufferers to get good clothes at a bargain. He has put up a small building opposite Sunderland's boot and shoe store, on Virginia street, where he can be found. *

A Disease that Wrecks the System.

Every function is deranged, every nerve unstrung, every muscle and fiber weakened by fever and ague. It is, in fact, a disease which if unchecked, eventually wrecks the system. In all its types, in every phase, it is dangerous, destructive. Stupor, delirium, convulsions, often attend it, and cause swift dissolution. But when combatted with Hostetter's Stomach Bitters its foothold in the system is dislodged, and every vestige of it eradicated. That benign anti-febrile specific and preventive of the dreaded scourge is recognized not only within our own boundaries, but in tropic lands far beyond them, where intermittents are fearfully prevalent, to be a sure antidote for the malarial poison and a reliable means of overcoming disorders of the stomach, liver and bowels, of which a vitiated torrid atmosphere and brackish miasma tainted water are extremely provocative. All emigrants and travelers should be supplied with it.
